Dunara is an exclusive residential complex designed to offer a Mediterranean living experience where tranquility, nature, and comfort come together. The project comprises two buildings with 31 apartments each, conceived with modern, bright, and Mediterranean-inspired architecture that blends seamlessly with the natural surroundings of dunes, sea, and green spaces. The high-quality apartments, designed for everyday well-being, feature functional layouts with two bedrooms and two bathrooms, as well as modern finishes, a kitchen equipped with integrated appliances, and ducted air conditioning. The complex offers comprehensive communal areas designed for enjoyment and quality of life: swimming pools for adults and children, a spa, sauna, gym, yoga area, outdoor fitness areas, extensive gardens, and social spaces such as a coworking space and social club. All of this is within a private and secure complex with video surveillance, elevators, and parkin...
