We are pleased to be able to offer as well established and well-functioning Scandinavian cafe in central Torrevieja, sold as traspaso, with a lease contract until 2024, including all equipment. The café opened in 2010 and serves home-made Norwegian / Scandinavian food and is unique in the area in relation to its special menu. The café is well-visited and well-known among Scandinavian guests. Nice west facing outdoor seating provides good sun conditions throughout the year. As of today, the café is open during the day, Monday to Saturday from 1030 - 17. There is good opportunity for a new owner to develop the current concept, as well as gain potential growth by expanding opening hours. The venue is well-suited as a restaurant in the evenings, the café also has a catering allowance...
