Located in a quiet residential area of Ciudad Quesada, this property, built in 2018, offers a functional layout and well-utilized indoor and outdoor spaces. It has a built area of 101 m² on a 184 m² plot, with three bedrooms, three bathrooms, a basement and a rooftop terrace. The main floor features a living room, dining area, and an open-plan kitchen with a central island. This level also includes one bedroom with a built-in wardrobe, a full bathroom, laundry area, and direct access to the garden and private pool. Upstairs, there are two additional bedrooms. The main bedroom has an en-suite bathroom and access to a private terrace. The second bedroom is next to another full bathroom. A hall connects both rooms. The basement is currently used as a recreational space with a billiard area and provides additional room for various uses. The private rooftop terrace includes a fully installed and functional outdoor kitchen with direct access from...
